## Terms and Conditions:

- Service plan coverage is contingent on inspection of the heating system. Plan does not cover pre-existing conditions.
- Company reserves the right to refuse and/or terminate plan coverage or repair work on equipment deemed unsatisfactory.
- Services not covered by the plan are charged at the prevailing rates.
- Customer agrees to purchase oil exclusively from Lombardi Oil & Gas and maintain account in good standing.
- Customer is responsible for arranging annual maintenance.
- Plan coverage is for one year, auto renews, and is non-transferable and non-refundable.

## Exclusions

- This agreement does not cover replacement of a complete boiler, furnace, burner, water heater, power venter, tankless coil, radiant heat, humidifier or piping, baffles, oil lines, oil storage tanks, auxiliary lift pumps, electric wiring, domestic plumbing, draining of expansion tanks and purging of radiators, obsolete equipment, neglect, upgrades necessary due to government regulations ,or any parts or services not explicitly mentioned in the agreement.
- Participating in the Tank Insurance Program does not guarantee the prevention of a leak or other failure of your oil tank.
- Except to the limits of protection under the Tank Insurance Program for customers enrolled, Lombardi Oil & Gas is not liable for any environmental pollution or pollution cleanup due to tank rupture, oil line leak, or any contamination resulting from the oil distribution system.

## Other Conditions

- Lombardi Oil & Gas will not accept responsibility for the loss of heat in any unoccupied buildings, for delays or damages resulting from obtaining parts, fires, accidents, power interruptions, water in basement, water in storage tank and/or lines, labor difficulties, acts of the Government, flood, war, hurricanes, earthquakes, any acts of God, or other causes beyond our control.
